Reference

7920

Description

The works consist of replacement of the expansion and movement joints on both Ysgubor Bridge, Dolgellau and Dysynni Bridge near Tywyn. And the replacement of the bearings on Pont Ysgubor. The works will include the removal and disposal of the existing joints, supply and install the new joints including any modification required on the bridge structure to accommodate the new joints. Both bridges are on the A493 road, and the works will also include provision of the traffic management required and Principal Contractor duties.
