Description

Totally Local Company is seeking to appoint a suitably qualified contractors to be appointed to a Framework Agreement for Street Lighting Installation and Maintenance, Annual Seasonal Lighting Installation and Removal, and Manufacture and Provision of Highways Signage.

Totally Local Company are a major service provider in the Street Lighting Industry. Sudden demands can affect our ability to deliver works within the timescales laid down within contracts being undertaken. To ensure Totally Local Company meet all our clients' expectations, Totally Local Company Limited will require a Framework Agreement across each Lot to assist in scheme delivery and reactive maintenance.

This framework will consist of three Lots which providers can tender for:

Lot 1 - Street Lighting Installation and Maintenance

Lot 2 - Annual Seasonal Lighting Installation and Removal

Lot 3 - Manufacture and Provision of Highways Signage

Totally Local Company will award to the 2 highest scoring Framework Contractors per lot.

For a full specification for this opportunity, please register your interest.

Submissions shall be received by the Council by the closing date and time stated within the Instruction for Tendering document.

No submission received after the closing date and time will be accepted other than where there are exceptional circumstances which may be considered by the Director of STAR Procurement in their sole discretion. Please note that tender submissions which are only partly uploaded at the closing date and time will be considered to have not been received and will be rejected by the Council.

No tender documents will be sent to you - you need to navigate to the "my opportunities" section and download the documents from the Chest website.

If you have any questions regarding this opportunity - please post them on the messaging facility on the Chest. Messages sent outside of the Chest will not be responded to.

ALL SUBMISSIONS MUST BE SENT THROUGH THE CHEST. Submissions sent via any other method will not be accepted.

Please ensure that you leave enough time to upload your documents before the closing date/time, as late submissions may not be accepted.

In submitting your quotation you agree to contract on the terms and conditions as detailed on The Chest. Due to the Council's obligations of fairness and equal treatment to all bidders it cannot accept amendments to these terms and conditions or alternative terms and conditions. If you seek to amend the terms and conditions or submit alternative terms and conditions the Council may reject your quotation.

Lot 1. Street Lighting Installation and Maintenance

Description

The selected companies will be required to demonstrate their ability to deliver reactive and routine Street Lighting works and individual Street Lighting schemes of varying complexity and value as well as planned Street Lighting activities. These will be delivered with and or on behalf of Totally Local Company.

The selected companies will be required to undertake works throughout Northwest England and need to demonstrate the capability to do this.

The selected companies will need to be able to demonstrate their commitment to partnership working with Totally Local Company and share in their vision of providing a reliable, quality, affordable service to all our customers.

Please refer to 3C. Lot 1 Street Lighting Installation & Maintenance Pricing Schedule detailing a list of our requirements.

Works will be allocated based upon price and ability to deliver within allocated timescales. Failure to deliver works within the allocated timescale will reduce the amount allocated to the service provider. No guarantee on the amount of work will be given.

Please note that the Contractor/Member within this framework is required to comply with all the enclosed specifications and standard details.

Lot value (estimated)

- £1,000,000 excluding VAT
- £1,200,000 including VAT

Framework lot values may be shared with other lots

Same for all lots

Framework operation description

Totally Local Company will award to the 2 highest scoring Framework Contractors per lot.

There shall be two routes to call-off for this framework agreement.

Route 1:

Call-off contracts may be awarded on the basis of a further competition exercise between suitable Framework Contractors. Suitability shall be determined by taking into consideration responses to quality questions and references.

Any further competition shall be undertaken by asking further requirement specific questions and evaluating these in accordance with the weightings and scoring methodology provided at that time. The main heading criteria of Quality and Price must be used, however, the particular weightings attributed to these may be altered from those used in creating this Framework Agreement by 20% either way, the determination of this shall be at the sole discretion of Totally Local Company based on its determination of the risks of the particular requirement.

Route 2:

Totally Local Company reserve the right to award works through a Direct Award mechanism.

The Direct Award mechanism will be used when Totally Local Company is able to determine the most appropriate and cost-effective Framework Contractor from the information available without needing to run a further competition.

Award method when using the framework

Either with or without competition

Contracting authorities that may use the framework

Establishing party only
