DN790516

Description

The Council wishes to establish a /Contract for the receipt and treatment of Building and Construction Waste deposited by residents at its Household Waste and Recycling Centres in Keynsham, Bath, Radstock and commercial transfer station in Keynsham.

Bidders are required to submit a gate fee per tonne collected/delivered for the recycling of Building and Construction Waste at their proposed Treatment Site. The Contract rates and prices quoted shall include the full costs associated with the collection, receipt, processing and Recycling of Building and Construction Waste including all costs associated with the re-use or marketing of the recycled material, and all fees associated with the disposal of residues, using appropriate licensed facilities.

Total value (estimated)

- £383,762.88 excluding VAT
- £479,703.60 including VAT

Above the relevant threshold

Contract dates (estimated)

- 2 January 2026 to 1 January 2028
- Possible extension to 1 January 2029
- 3 years

Description of possible extension:

1 x 12 month extension available if required.

Main procurement category

Services

CPV classifications

- 90513000 - Non-hazardous refuse and waste treatment and disposal services

Contract locations

- UKK12 - Bath and North East Somerset, North Somerset and South Gloucestershire

Lot constraints

Description of how multiple lots may be awarded:

Bidders may submit proposals for one, multiple, or all LOTS. However, those awarded the primary contract (LOT 1) will not be eligible for contingency LOTS (LOT 2 and LOT 3).

LOTS 2 and 3 may be awarded to the same or separate contractors, depending on what best ensures service continuity in the event of failure or disruption by the primary contractor.

Lot 1. Collection and Recycling of Building and Construction Waste from Keynsham Reuse and Recycling Hub

Description

Pixash Lane, Keynsham BS31 1TP, Old Welton Recycling Centre, Radstock Road, Midsomer Norton BA3 2AA and Bath Recycling centre Midland Road, Bath, BA1 3AT

Lot value (estimated)

- £383,762.88 excluding VAT
- £479,703.60 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 2. Contingency Option, Collection and Treatment of Building and Construction Waste (Collection Only)

Description

Contingency Option, Collection and Treatment of Building and Construction Waste (Collection only) from all three recycling centres.

Lot value (estimated)

- £0 excluding VAT
- £0 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 3. Contingency Option, Delivery and Treatment of Building & Construction Waste (Delivery only)

Description

Contingency Option, Delivery and Treatment of Building & Construction Waste (Delivery only) by the Council to the Bidders Treatment site

Lot value (estimated)

- £0 excluding VAT

- £0 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Submission address and any special instructions

The council uses the council's e-tendering system to issue Invitations to Tender and to receive responses from suppliers. This is currently www.supplyingthesouthwest.org.uk.

We reserve the right to amend the tender documentation, so please ensure that you access and complete the most up to date documents.

Assistance in relation to the e-tendering system is available to suppliers via the Supplier Help facility on the Login page. Supplier guidance documents are also available to view and download. If you are still unable to resolve your issue in using the system you should send an e-mail to ProContractsuppliers@Proactis.com explaining the nature of your query.
