Description

Workington Town Council is seeking a forward thinking, qualified company with green credentials to manage the floral displays that include baskets, mangers and planters in the centre of Workington. The floral displays will be managed in accordance with sustainable horticultural practices that support biodiversity and are climate positive whilst maintaining a high-quality appeal.

Through the coordination of nature-friendly displays and planting schemes and peat free practices, the focus will be on the development of sustainable planting and In-Bloom activities, which have the potential to make a significant contribution to the Council's climate objectives and increase biodiversity throughout the town.

Workington Town Centre has a tradition of high quality floral and hanging basket displays. The contractor will be expected to work closely with Officers from the Town Council to

achieve the high standards required.
