The initial DPS will cover the period from 6th March 2023 to 5th March 2027. The first decision to extend the contract period will be taken by the end of the 4th year (2027) and every 3 years thereafter. This will be dependent on satisfactory completion of all aspects of

the contract to date, the current market conditions for this category and YPO's contracting

structures. The maximum contract period will therefore be 10 years, from 6th March 2023 to 5th March 2033 (subject to an annual review and KPI performance).
