Competitive flexible procedure description

Interested suppliers are to express their interest in this opportunity via the Purchasers e-tender portal

<https://procontract.due-north.com/Register>

Please note that Suppliers will be required to register on the e-tender portal if they are not already registered - registration is a free process to complete.

The tender document contains the specification: submission requirements, two stages of award criteria (Stage 1 - Technical which will be a pass or fail and a pass mark shall be required to proceed to stage 2). Stage 2 - Cost, Sustainability and Deviations which shall be weighted criteria (as set out in the section headed Award Criteria in this notice), together with the Form of Contract. These documents are all available on the Purchasers e-tender portal.

NOTE - The tender document is provided for information of the requirements and must not be completed or submitted until invited to do so following successful completion of the Conditions of Participation stage which includes assessment of the Suppliers financial standing.

Suppliers will be required to complete the Conditions of Participation. Submissions must be completed by the date for requests to participate (27/10/2025 - 10:00 hours).

The Purchasers Finance Department will undertake a financial assessment of the Suppliers financial standing, using an obtained finance report. Suppliers must pass both the Conditions of Participation and the financial assessment.

Successful Suppliers that pass both the Conditions of Participation and the financial assessment will be invited to tender.

Tender submissions are required to be submitted via the Purchasers e-tender portal and will be opened following submission at a scheduled tender committee meeting. A preferred Supplier stage will be entered into following the completion of the tender assessments, this will allow for contract terms negotiations to be finalised as required.
