Description

Burnley Borough Council (the Contracting Authority) are inviting Tenders from organisations (Bidders) that have the resources, capabilities and capacity to undertake full house refurbishment works, to 71 Albion Street and 31 Piccadilly Road. Works can include patch pointing, replacement gutters, sandblasting & painting walls, windows and door surrounds, re roofing, kitchen extensions, plastering, re wiring etc.

Further detailed information is provided in the 'Pre Construction Information' document (see appendix 6) and includes client and management considerations, environmental restrictions, risk assessments, design and construction hazards, health and safety requirements and plans, method statements; and also see 'Schedule' for the property (see Appendix 4)

This project is in compliance with Construction (Design & Management Regulations)

2015. Glovers Project Services Limited have been appointed by the Council as the principal designers for the project.

It is anticipated this will be an 14 week contract running through early October to the middle of January 2026. However the successful Bidder will be required to demonstrate and apply flexibility as some of this work may be weather dependent and actual dates will be agreed between the Council and the Bidder.

The successful Bidder will be required to enter into a JCT Minor Works contract with the Council.

The Invitation to Tender (ITT) document and its appendices set out the scope and nature of the required works, the procurement arrangements and conditions.
