Tender

Pressurisation Equipment and Auxiliary Systems Serving Potable, Chilled & Low Temperature Hot Water Services

University of Salford

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-061399

Procurement identifier (OCID): ocds-h6vhtk-05a60e

Published 1 October 2025, 3:00pm

Scope

Description

The University of Salford wishes to appoint a suitably qualified and experienced maintenance company on a three-year term contract basis (with an option to extend for up to a further two years, whether in single or multiple extensions), to undertake the test and maintenance duties on multiple installations on their "Site Wide" portfolio of buildings across the University of Salford's campuses.

The maintenance contract awarded to the successful tenderer will be a Fixed Price Contract in respect to the equipment schedule detailed within section 14 "Schedule of Assets" of this document. The contractor shall undertake all maintenance and renewals which may become necessary and provide an emergency call out service with a four-hour response time.

The invitation to tender for the maintenance of the Pressurisation Equipment and Auxiliary Systems Serving Potable, Chilled & Low Temperature Hot Water Services includes additional requirements, terms and conditions of the tender which are to be fully complied with by the tenderers in preparing and submitting the tenders.
