The Trust recommendation is that the contract with the provider is extended as all outcomes and contractual obligations are currently being met and achieved. The provider has established and is maintaining positive relationships with stakeholders and other providers of mental health care. This includes the Trust First Response teams such as Home Treatment Team, and Crisis Line who regularly refer patients to the service.

The service is open 7 days a week from 1pm to 10pm and provides a safe, welcoming and comfortable space away from a clinical environment for people in crisis, and those seeking to prevent the onset of a crisis. The team provide emotional support, practical advice, devise safety plans and offer signposting to patients.

The cafe is viewed by professionals and public as a core part of the health and care service offer. A break in this service offer would be detrimental to the hundreds of patients who use this service every month. It is recommended this contract is extended until the competitive process is actioned by the end of this year. In parallel a competitive procurement exercise will begin.
