Scope

Description

The Authority is seeking to procure the provision of a service for surety bonds, for both

deputyship bonds and guardianship (missing persons) bonds. The Surety Bonds requirement exists to safeguard individuals for whom a Deputy or Guardian has been appointed. In most cases, the Court of Protection requires Deputies or Guardians to provide a form of 'security' - a safeguard designed to protect the financial interests of individuals who lack capacity or who are missing. This security is typically provided in the form of a Surety Bond, which is guaranteed by an insurance company and remains standard practice under current legal arrangements.

The requirement is for a sole supplier to deliver the Surety Bonds for Deputies and Guardian's consisting of:

Responsible and accountable for the end-to-end provision, administration and management of all Surety Bonds

Compliant with statutory obligations

There is an indicative launch date of September 2025, an indicative award date of November 2025 and Go Live date of March 2026. The proposed contract length will be for 6 years. Please note,

that all key decisions including budgets, contract length and dates are yet to be approved through internal governance and therefore may change.
