Scope

Description

The Council are inviting providers to participate in preliminary engagement to gain insight from the market with the purpose of making any potential future exercise, well framed, feasible, focused and of likely interest to the market.

This preliminary market engagement purpose is to seek potential providers to join our framework of organisations and to provide their views regarding Community Based Services for people with a learning disability, mental health needs, and/or autism which is primarily supported living services.

Supported Living services are community provisions where individuals have a tenancy with a housing provider and the Council commissions a care and support provider to meet the needs of the individuals living there.
