Scope

Description

The Council is undertaking a pre-market dialogue to inform the upcoming procurement of a Commercial Adviser. This engagement is not part of the formal tender process, but is intended to gather feedback from interested parties on the proposed scope, approach,

and requirements.

The Commercial Adviser will primarily support the mobilisation and delivery of the Repairs, Maintenance, and Capital Delivery contract, as well as help embed hybrid cost models across other contracts. Feedback received during this pre-market dialogue will be used to shape the final tender documents, ensuring they reflect market best practice and are aligned with the Council's objectives. Interested parties are encouraged to participate in this dialogue to help ensure the procurement process is robust, transparent, and meets the needs of both the Council and the market.

Engagement

Engagement deadline

16 October 2025

Engagement process description

As part of the pre-procurement process, the Council is seeking feedback from the market to help shape the final tender documents for this opportunity. Interested parties are invited to review the draft brief and contract document provided and complete the accompanying questionnaire within the pre-market dialogue document. The feedback received will be used to ensure that the final procurement documents are aligned with market best practice and are suitable for potential bidders. This stage is intended to promote transparency and collaboration, enabling the Council to develop a procurement process that meets both its objectives and the needs of the market.
