Description

Place Services Legacy Grazing project provides bespoke habitat management through conservation grazing to clients across Essex, Hertfordshire, Suffolk and Kent. This is a chargeable service provided to landowners who require grazing to fulfil objectives and obligations under statutory designations for example, such as SSSI's etc.

The contract is a re-procurement of a single supplier to provide native breed livestock and livestock management services, in accordance with a grazing schedule, on behalf of Legacy Grazing. During the course of the contract new clients / sites may be added or removed and the contractor will be required to increase or reduce the herd accordingly with ECC retaining the right to procure additional services to increase capacity if the contractor is unable to meet the requirement.

Total value (estimated)

- £1,200,000 excluding VAT
- £1,440,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 April 2026 to 31 March 2031
- Possible extension to 31 March 2033
- 7 years

Description of possible extension:

Option to extend for a further period of 24 months.

Options

The right to additional purchases while the contract is valid.

As outlined in the Changes in Scope section within the procurement documents, during the course of the contract there may be an option to add New Sites to the grazing programme as and when new clients approach the Authority with grazing requirements. It is also possible that some clients will reach a point where they no longer require the Services. While this is uncommon, the Authority reserves the right to remove Sites from the Grazing Programme.
