Description

Suffolk County Council are currently out to tender for the provision of the Independent Travel Training service.

Training is provided to members of the public who reside in Suffolk, to teach them how to use public transport safely and independently. The service is for clients with disabilities, mental health and learning needs. The clients gain a valuable life skill, which in turns aims to reduce the future demand on council transport services.

This opportunity is available in the `Current Tenders` area of the portal. Interested parties are invited to express their interest to gain full access to the tender documentation.

Description of risks to contract performance

Suffolk County Council has joined the government's Devolution Priority Programme.

This process has the potential to lead to the establishment of a county combined authority for Norfolk and Suffolk, with strategic powers, headed by an elected mayor. A consultation is under way. Government has also invited participation by Suffolk in Local Government Review. This process has the potential to lead to unitary local government in Suffolk. One of these changes could happen without the other. This risk is declared as a known risk as we do not yet understand the implications of that potential re-organisation.

The contract/framework agreement may be assigned or novated or otherwise transferred to any successor authority(ies) to Suffolk County Council or to any joint body incorporating or formed by any such successor. The County Council or a successor authority or joint body may order services on behalf of other local authorities serving any area within Suffolk's current geographical boundaries. Impacts may also include modifications to the contract.
