Description

The scope of the contract is Provision and Storage of Clean Linen including, but not limited to bedding, towels and patient garments (The Goods).

The Nottingham University Hospitals NHS Trust (The Authority) requires a Supplier to provide the Goods and Associated Services in accordance with its specification.

The Associated Services includes a requirement for "just in time" delivery. Due to a lack of storage space within the Sites, the need for "just in time" delivery shall be a key requirement of the contract as well as storage of the Emergency Linen to be used as part of the Authority's Laundry Service Business Continuity Plan.

Emergency Linen shall be relied upon in Emergency/Urgent Requests whereby the Authority's internal laundry services teams are unable to launder linen (E.g. due to machinery breakdown). This Emergency Linen must be available for delivery to the Authority's Site(s) within 24 hours of request.
