Scope

Description

To support citizens and VCSE organisations to deliver the Health and Care Partnership vision to keep people 'happy, healthy and at home'.

To do this through taking a data-driven, continuous-learning and asset-based approach to support VCSE organisations who have an active interest, ability, and capability to deliver against our shared ambitions.

This should look to provide stability where possible, to promote growth of organisations that deliver opportunities for people to take control of their own health and wellbeing, and to contribute to our partnership's insight and intelligence about the communities we serve.
