CO6126

Description

The contract is for the maintenance of landscape and water features and cleansing at parks and open space sites within the boundaries of the London Borough of Tower Hamlets. The contract will provide for the full range of landscape and aquatic maintenance works.

The contract is for the provision of services for;-

- the cleaning and maintenance of public space landscape areas and features
- the routine cleaning of water features, including dredging, draining, and recharging of systems,
- monitoring recording and reporting of water consumption and water quality, and the

implementation of measures relating to these issues

- the checking, recording and reporting of safety inspections in relation to equipment provided for the safety of the public
 - the basic maintenance and operation of water pumps, pipes, weirs, liners, sluices, valves, sumps, filters and other mechanical and electrical devices associated with the water features
