Award criteria

Award Criteria - Quality and Price

The Award Questionnaire allows bidders to provide evidence of their capability to undertake the contract and to address how the contract itself will be provided.

Each question is subject to a percentage weighting, with the sum weighting of all questions totalling 100%. Weightings associated with each of the criteria can be found in Appendix Two (Award Criteria), alongside any minimum score requirements for each question. Where these apply, bidders will be discounted from consideration for award if they do not achieve the minimum score required on any question.

For the avoidance of doubt the following weightings are applied to this procurement:

- Quality: 30%
 - Price: 70%
