## **Body Armour Framework**

Metropolitan Police Service

West Yorkshire Police

Police and Crime Commissioner for West Midlands

Greater Manchester Combined Authority

Police and Crime Commissioner for South Wales

The Police and Crime Commissioner for Avon & Somerse

The Chief Constable of Thames Valley Police

Police Service of Northern Ireland

Scottish Police Authority

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-062618

Procurement identifier (OCID): ocds-h6vhtk-05a8fa

Published 6 October 2025, 4:13pm

## **Scope**

## **Reference**

3657

## **Description**

Establishment of a framework contract to provide officers across the UK with body armour meeting the following Home Office standards, each available through its own lot:

- HO1 + KR1 Body Armour

- HO3 + SG1 Body Armour, either a standalone plate or in-conjunction with
- Plate Carrier
- Potentially additional lots for HO2 and Up Armour

The Mayor's Office for Policing and Crime (MOPAC) will be the lead contracting authority with the successful supplier on each lot. The framework terms established at this level will flow down to the individual call-offs put in place by the in-scope police forces.

It is anticipated that each lot will provide the ability to purchase on behalf of 600 officers over the life of the contract, with the majority of purchases occurring in the first half of the framework term. The suppliers must also agree to stock hold an agreed amount, to be defined in the tender documentation, to enable ad-hoc purchasing and through-life support throughout the framework term.

This framework agreement will last for up to 8 years from contract commencement, comprised of an initial term of 5 years with 3 optional 12-month extensions.

The current procurement strategy proposed is via a competitive flexible procedure, using proof of body armour certification to a Home Office standard and the ability to stock hold in the UK as a condition for participation in the physical testing stage. Weightings for the procurement process will be split across the following areas:

- Technical Evaluation - paper based
- Commercial & Pricing Evaluation
- Social Value Evaluation
- Security Evaluation
- Health & Safety Evaluation
- Business Continuity & Disaster Recovery Evaluation
- Physical Testing Evaluation - sample testing

The bidder with the highest cumulative score across all aspects of the procurement will be awarded a place on the framework contract.

For information, the standards referred to in this notice are accessible via the following link:

## **Commercial tool**

Establishes a framework

## **Contract dates (estimated)**

- 3 August 2026 to 2 August 2031
- Possible extension to 2 August 2034
- 8 years

## **Main procurement category**

Goods

## **CPV classifications**

- 35815000 - Garments for anti-ballistic protection

## **Contract locations**

- UK - United Kingdom

---

## **Engagement**

## **Engagement deadline**

7 November 2025

## **Engagement process description**

Request For Information (RFI) document attached to Coupa project 2340 - Body Armour Framework - RFI refers. This can be located on [https://supplier.coupa.com/quotes/public\\_events?customer=metpolice&company\\_name=Metropolitan+Police](https://supplier.coupa.com/quotes/public_events?customer=metpolice&company_name=Metropolitan+Police). Responses are requested ahead of the engagement deadline. Whilst responding to the RFI is not a mandatory requirement for participation in the subsequent tender, engagement with this exercise helps the Authority refine their requirement and prepare an effective, accessible procurement process.

The Authority intends to run an in-person supplier engagement event as a market scoping exercise with a date, time and location to be confirmed with interested suppliers following the closure of the RFI window on 7th November 2025.
