Award criteria

3.17 Bidders' answers to each of the ITT questions must be self-contained without referring to additional documents or webpages, answers to other ITT questions or other supporting statements (unless specifically requested). Bidders should respond to each point in the question when providing its answer. The Authority reserves the right to mark the answer solely on the response to each question and have different evaluation panel teams evaluate different parts of each Bid. Evaluators will only read the response to each individual question they are evaluating; evaluators will not follow any cross-referencing to other parts of the Bid.

3.18 Answers should contain information to evidence and demonstrate what and how the Bidder intends to deliver the Services delete as applicable subject of this ITT.
