Scope

Reference

CWC25088

Description

CWC must take necessary steps to protect the public during outdoor events and festivals that it and other organisations hold in and around the City from vehicle conflict. These types of gatherings carry inherent risk to the public and hold a high risk of a vehicle being used as a weapon in a terror attack. Hostile Vehicle Mitigation (HVM) equipment is essential to ensure CWC are able to meet current provisions of safe events as well as the

introduction of CWC's legal duty as a landowner under the Terrorism (Protection of Premises) Bill 2025.
