Section VI. Complementary information

VI.3) Additional information

The Common Services Agency (more commonly known as National Services Scotland) ('the Authority') acting through its division

National Procurement, is undertaking this procurement of (add description here...) ('Products') on behalf of all entities constituted pursuant

to the National Health Service (Scotland) Act 1978, (i.e. all NHS Scotland Health Boards, Special Health Boards and the Authority or other

NHS Organisation established pursuant to the NHS (Scotland) Act 1978), any integrated Join Boards established pursuant to the new

Public Bodies (Joint Working) Scotland Act 2014 (collectively hereafter referred to as 'Participating Authorities'), where applicable and

Scottish Hospices.

The estimated values referred to in Section II.1.5 and 11.2.6 covers the 48 months contract duration of

the framework agreement.

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 24786. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

The Contracting Authority does not intend to include a sub-contract clause as part of community benefits (as per Section 25 of the

Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

N/A

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

It is a mandatory requirement that potential framework participants agree to support the concept, provision and ongoing development of

community benefits provision in relation to this framework.

Potential framework participants are required to agree to this mandatory requirement. They are also requested to provide a brief summary

of the community benefits that have recently been delivered within Scotland, if at all, and also what impact and outcomes these have

achieved.

Potential framework participants are required to summarise any proposed community benefits that will be developed and delivered as part

of this contract if successful or, alternatively, potential framework participants confirm that they will engage with the NHS Scotland's

Community Benefits Gateway (CBG). This gateway, developed through requests from suppliers seeking opportunities to support the

delivery of community benefits within the contracting region, provides information on community benefit opportunities. The CBG is a free

and easy to use online service that connects NHS Scotland suppliers with third sector community organisations within Scotland and will be

used for tracking and reporting and is an approved compliant route to the realisation of community benefits.

For further information please visit NHSS Community Benefit Gateway

(SC Ref:750614)

The Contracting Authority does not intend to include a sub-contract clause as part of community benefits (as per Section 25 of the

Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

Strategic decision.

Community benefits are included in this requirement. For more information see:

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Precise information on deadline(s) for review procedures:

The Authority will notify economic operators who submitted a tender or (where no deselection notification has previously been made)

applied to be selected to tender, of its decision to award the framework agreement which notification will contain among other information,

a summary of the reasons why the economic operators was unsuccessful. The notification will incorporate a 'standstill period' of a

minimum of 10 clear calendar days (or a minimum of 15 if the communication method used is not electronic) between the date on which

the Authority dispatches the notice(s) and the date on which the Authority proposes to conclude the relevant framework agreement. The

bringing of court proceedings against the Authority during the standstill period will automatically continue the prohibition on entering into

the framework agreement until the court proceedings are determined, discontinued or disposed of, or the court, by interim order, brings to

an end the prohibition. The remedies that may be awarded by the courts before the framework agreement has been entered into include the

setting aside of the decision to award the framework agreement to the winning tenderer(s). The bringing of court proceedings against the

Authority after the framework agreement has been entered into will not affect the framework agreement unless grounds for the imposition

of special penalties under the Public Contracts (Scotland) Regulations 2015 can be established. Otherwise, the remedies that may be

awarded by the courts where the framework agreement has been entered into are limited to the award of damages.
