During the ITT stage, Yorkshire Water will also conduct a contractual compliance round to ensure alignment with its standard terms and regulatory obligations. The process is covered by the Government Procurement Agreement (GPA), ensuring transparency and adherence to international procurement standards. This UK4 notice follows the earlier UK2 notice (Ref: 2025/S 000-043684). Tenders must be submitted in English, and bidders are required to maintain the validity of their submissions for a minimum period of six months.
