Scope

Description

This initiative presents a timely opportunity to address persistent vaccination inequalities in Derby City by leveraging community-led approaches and cross-sector collaboration. It builds on previous successful engagement work and aligns with NHS priorities to reduce health disparities and improve vaccine uptake.

Projected Aims and Outcomes

Aims:

- Increase uptake of COVID-19, flu, RSV, and life-course vaccinations
- Build trust through community-led engagement
- Empower local leaders and strengthen system-community relationships
- Embed long-term planning into the vaccination landscape

Outcomes:

- Higher vaccination rates in underserved areas
 - Sustainable community-led health promotion
 - Improved public understanding and confidence in vaccines
