Main site or place of performance

This service is offered in the Ipswich and East Suffolk Alliance area.

#### **II.2.4) Description of the procurement**

This is an open access community ultrasound service for adults aged 17 years and over and available to all referring clinicians within Ipswich and East Suffolk Place. Access to the service is across the place locality at a number of community venues and not at the acute site. The contract has been extended for a period of 12 months to allow a review of capacity and service delivery for diagnostic needs to be completed to understand the ongoing requirement for community ultrasound.

NHS Suffolk and North East Essex Integrated Care Board are awarding the contract named within this notice under the Direct Award C process which is outlined within the Health Care Services (Provider Selection Regime) Regulations 2023. The provider named in this notice is an existing provider and has been reviewed through a Key Criteria assessment to ensure the awarding body is satisfied with current performance and reasonably expects the provider to be able to satisfy the contract which is the subject of this notice. The contract which is the subject of this notice has not changed considerably when compared with the existing / previous contract delivered by the named provider.

The ICB may wish to introduce additional services during the lifetime of the contract ("Contract modifications"). Such contract modifications will be contemplated where additional requirements are similar and or complementary to the services already included in the Specification, at any given time. Such expansion would be by the addition of services commissioned by the Authority as named in the Contract Notice. To this end, after the award of contract, there is a possibility that the contract may be varied as allowable in accordance with the Health Care Services (Provider Selection Regime) Regulations 2023.

#### **II.2.5) Award criteria**

Quality criterion - Name: Quality / Weighting: 100

Price - Weighting: 0

#### **II.2.11) Information about options**

Options: No

## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The publication of this notice marks the start of the standstill period.

Representations by providers must be made to decision makers by midnight on Monday 20th October 2025 (8 working days following publication of intention to award notice). They should be submitted in writing to [procurement@snee.nhs.uk](mailto:procurement@snee.nhs.uk).

This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

Award decision-makers: SNEE Planned Care Group 25th July 2025

- No conflicts of interest, or potential conflicts of interest, were declared by any decision makes.

The decision to award this contract in line with Direct Award Process C was based on evaluation against the five required key criteria as follows:

- Quality and Innovation - Assured - SNEE ICB are assured that the provider is delivering a safe and effective service as required by the specification and contract they are currently delivering. This criterion was reviewed in line with the Quality Impact Assessment.
- Value - Assured - SNEE ICB are assured that the provider is delivering value to the integrated care system and the cost of change would not be outweighed by the potential benefit of a new provider.
- Integration, Collaboration and Service Sustainability - Assured - SNEE ICB are assured

that the provider is positively impacting on the integrated care system through their integration and collaboration delivered as a requirement of the specification or alternative elements linked to the delivery.

- Improving Access, Reducing Health Inequalities and Facilitating Choice - Assured - SNEE ICB are assured that the provider is meeting needs of the population to ensure equitable access and choice as required by the specification and contract. This criterion was reviewed in line with the Equality Impact Assessment.

- Social Value - Assured - SNEE ICB are assured that the provider is delivering in line with the SNEE Green Plan, supporting with the implementation of carbon reduction and increase in initiatives which positively impact on the wider determinants of health. This criterion was reviewed in line with the Sustainability Impact Assessment.
