VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the

contract):

An extension of the current contract, mirroring the existing service, providing time for the Authority to determine the optimal long-term solution for our systems with senior management oversight following a Council restructure. The extension provides value for money and continuity while enabling evidence-based decision-making that will be used to shape a procurement exercise.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

An extension of the current contract, mirroring the existing service, providing time for the Authority to determine the optimal long-term solution for our systems with senior management oversight following a Council restructure. The extension provides value for money and continuity while enabling evidence-based decision-making that will be used to shape the future procurement exercise.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1,057,515.68

Total contract value after the modifications
