II.2.4) Description of the procurement

The University of Strathclyde (“the University”) is seeking to establish a contract to support the delivery of activities outlined below. The Contract will include, however, will not be limited to:

- Planned and preventative maintenance (PPM) of campus wide access control systems. Each installation must receive 1 service annually with all component parts of the EACS being serviced each visit. Central EACS hardware / software / firmware must receive 2 service visits per annum:
- Ad hoc / reactive services / works:
- Access to, knowledge and familiarity with WIN-PAK system software including:
- Software upgrades:
- Firmware upgrades:
- Fault diagnosis and resolving; and
- System hardware including door controllers and various types of locking / securing devices.
- Maintenance of virtual servers & operating system to ensure servers have sufficient disk space and the operating system is suitably patched:
- In the event of irreparable panel/system failure, undertake works to replace panels, devices to restore a working access control system:
- Provision of 24-hour, 365 days call-out service response and scheduled maintenance;

and

- Provision of end-user training; primarily focusing on system database operating / software training.

Emergency call outs require the Contractor to arrive at the site within 4 hours to ensure that the site is made safe / secure immediately and shall adopt a “first fix” approach. The site should be corrected within a maximum of 24 hours. The Contractor will be required to confirm that they have access to spares, including panels, to ensure this is achievable.

This Contract will account for access control systems including carpark barriers, internal & external doors throughout buildings found within the John Anderson Campus and other satellite sites, including NMIS & PNDC.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 50

Price - Weighting: 50

II.2.6) Estimated value

Value excluding VAT: £288,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

Yes

Description of renewals

The Contract duration is 24-months, with the option to extend for up to an additional two 12-month periods. The Contracting Authority reserves the right to utilise the extension periods at its discretion.

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

1. SPD (Scotland) Question 4B.1.2: Average Yearly Turnover
2. SPD (Scotland) Question 4B.5: Insurance Requirements

Minimum level(s) of standards possibly required

1. SPD (Scotland) Question 4B.1.2: "Average" Yearly Turnover

The Tenderer will be required to have a minimum average yearly turnover of GBP 576,000 for the past 3 financial years.

2. SPD (Scotland) Question 4B.5: Insurance Requirements

It is a requirement that the Tenderer hold, or can commit to obtain prior to the commencement of any subsequently awarded contract, the type and levels of insurance indicated below;

SPD (Scotland) 4B.5.1a

Professional Risk Indemnity: maintain a minimum indemnity limit of GBP 2 million any one claim, and without limit to the number of claims:

SPD (Scotland) 4B.5.1b

Employers (Compulsory) Liability: maintain a minimum indemnity limit of GBP 10 million in respect of each claim, and without limit to the number of claims.

SPD (Scotland) 4B.5.2

Public Liability: maintain a minimum indemnity limit of GBP 10 million in respect of each claim, and without limit to the number of claims.

Product Liability: maintain a minimum indemnity limit of GBP 10 million in the aggregate.

Motor Vehicle insurance: maintain a minimum indemnity limit of GBP 5 million for Property Damage, and unlimited in the respect of Third Party Injury.

III.1.3) Technical and professional ability

List and brief description of selection criteria

1. SPD (Scotland) Question 4C.1.2: Services
2. SPD (Scotland) Question 4C.6: Qualifications
3. SPD (Scotland) Question 4D.1: Quality Assurance Schemes
4. SPD (Scotland) Question 4D.2: Environmental Management Standards

Minimum level(s) of standards possibly required

1. SPD(Scotland) Question 4C.1.2: Services

The Tenderer will be required to provide examples (3) of services carried out in the past three years that demonstrate that they have the relevant experience to deliver the work as described in part II.2.4 of the Contract Notice or the relevant section of the Site Notice.

The Tenderer must use the template (Appendix D) provided for them to answer question 4C.1.2 of their SPD response. The Tenderer **MUST** upload the completed document next to question 4C.1.2, **DO NOT UPLOAD THIS DOCUMENT INTO THE "GENERAL ATTACHMENTS" AREA.**

Due to restrictions placed upon the character count by the advertising portal, The Tenderer should refer to the scoring methodology provided within the document "Appendix D - SPD (Scotland) 4C.1.2 Template v1", which can be found in the "Appendices" folder within the "Buyers Attachments" area within the relevant ITT on PCS-Tender (PCS-T).

Requirement/Question:

The Tenderer must provide 3 examples from the past 3 years that demonstrates that they can fulfil the requirements outlined under the relevant description (II.2.4) (Description of the Procurement) within the Contract Notice. This question will be scored by a technical panel made up of representatives from the Contracting Authority. Once all scores are agreed, an average score will be applied to each example.

Please note, the scores for each example will then be totalled and averaged, and the Tenderer must score a minimum / average of 2 overall across all examples, as per the scoring methodology, for the above question, otherwise their offer may be deemed non-compliant and will not be considered further.

2. SPD (Scotland) Question 4C.6: Qualifications

The Tenderer must hold all of the following professional and educational qualifications (or equivalent); - NACOSS (NSI) Gold: - British Approvals for Fire Equipment (BAFE): - Construction Online (Gold); and - CHAS (Advanced).

In addition to this, staff maintaining the equipment / systems, require all of the following (or equivalent): - NACOSS (NSI) Access Control Installation & Maintenance Training Certificate: - WinPak SE/PE 4.0 Basic Certified Installer Certificate; and - WIN-PAK Certified Installer On-Demand Certificate

3. SPD (Scotland) Question 4D.1: Quality Assurance Schemes

Due to restrictions placed on the character count by the advertising portal, the Tenderer should refer to the full detail provided within the document "Appendix E - Contract Notice Additional Information", which can be found in the "Appendices" folder, within the "Buyers Attachments" area within the relevant ITT on PCS-Tender (PCS-T). The bidder must meet the relevant minimum level(s) of standards set out.

4. SPD (Scotland) Question 4D.2: Environmental Management Standards

Due to restrictions placed on the character count by the advertising portal, the Tenderer should refer to the full detail provided within the document "Appendix E - Contract Notice Additional Information", which can be found in the "Appendices" folder, within the "Buyers Attachments" area within the relevant ITT on PCS-Tender (PCS-T). The bidder must meet the relevant minimum level(s) of standards set out.

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

For full details of the conditions relevant to the proposed Contract, please see the tender documents (details of how to access these being set out in section 1.3) Communication, of the Contract Notice.

The University of Strathclyde will require the members of any tendering group of entities (including, but not limited to consortium members, members of a group of economic operators and/or subcontractors) to be jointly and severally liable for the performance of the Contract (no matter the legal form taken by those entities in order to enter into the Contract).
