Reference

C390300

Description

The UK Health Security Agency (UKHSA), an Executive Agent of the Department of Health and Social Care (DHSC) is the nation's expert health security agency. This pre-market engagement Notice(EMEN) is not a competitive process but is intended to help UKHSA assess options for the contingent development of large-scale community-based surveillance studies and develop full end-end capabilities. Large-scale Community Based Surveillance population studies may include some or all of the following components from the market: Participant portal and questionnaire platform with integration with additional existing fulfilment streams, and population representative cohort.

Engagement

Engagement deadline

4 November 2025

Engagement process description

This Early Market engagement Notice (EMEN) marks the initial phase of our pre-market engagement activity. It is a desktop-based exercise designed to facilitate collaboration between key business stakeholders and their commercial lead, with the aim of gaining insight into current market capabilities and gathering supplier perspectives on future developments.
