Description

The Council is advertising a 4 year contract for the provision of Surfacing Works for Gloucestershire County Council from 1 April 2026 to 31 March 2030, with the provision to extend for up to 4 years to 31 March 2034.

The works are part of the structural maintenance programme for Gloucestershire County Council and will be ordered by Task Order for each individual package/scheme. Works to consist of structural repairs to the County Network including planing off existing surfaces and replacement to the various depths and layers required by the design of each scheme. Works will also include minor works reactive schemes from Area Managers budgets Depot schemes tend to be smaller in size than schemes in the structural maintenance programme. Works will also include a limited number of patching schemes. Works will include temporary traffic management, site clearance, adjustment to ironworks, siding, surfacing, ancillary kerbing, road marks and patching The works will be located across the County. The extent of the works will vary and no guarantee of scheme size of annual spend can given. Indicative budgets are as follows, but cannot be guaranteed: • 2026/27 circa £20M • 2027/28 circa £20M • 2028/29 circa £20M • 2029/30 circa £20M

We are following a 1 stage process using the Open Procedure. Contract form will be the NEC4 Term Service Contract as amended in accordance with the procurement documents.

For Tender Notice purposes, the contract value range is based on predicted budgets over the full term of the contract. The values also include contingency to account for inflation, potential one-off funding bids, DfT awards and other unknown possible increases in capital funding over the contracted period.
