Description

Leeds City Council (the “Council”) is looking into a potential procurement option to put in place future contractual arrangements for suitably qualified and experienced organisations to deliver habitat enhancement and management across multiple sites city wide on behalf of Leeds Habitat Company delivering Biodiversity Net Gain (BNG). To support this, the Council would like to gain information from the market regarding a number of issues related to the potential procurement exercise. You are therefore invited to consider the programme requirements detailed in this document and complete the attached questionnaire to give us your feedback on the proposed approach.
