Yes

Procedure

Procedure type

Direct award

Direct award justification

Single supplier - technical reasons

The Grade II listed Saltburn Cliff Tramway is the oldest working funicular in Great Britain. The replacement of the carriages and the necessary services to be provided are of a specialist nature. The current contractor for the Saltburn Cliff Tramway provide maintenance / emergency response and replacement parts as required. Their existing extensive and specialist knowledge of the carriages and the control system is required to ensure interoperability of the existing tramway and successful delivery of the project.
