Description

The Government has announced a set of 'Simpler Recycling' waste reforms which includes the mandatory weekly collection of food waste commencing from March 2026.

The separate collection of food waste requires the Council to provide all residents with an internal and external caddy or bin for the storage and collection of their food waste.

Market intelligence has advised the earlier Council's go out to procure containers for the collection of food waste the better price per unit and delivery can be secured.

What we require

Costs to supply caddies / bins and deliver to one single point:

- 65,000 and 108,000 - 5 litre internal caddies - grey base and lid.
- 65,000 and 108,000 - 23 litre external caddies with a grey base and purple lid.
- 2000 - 140l, 180l and 240 litre wheeled bin containers with a grey base and purple lid.

Costs to supply caddies / bins and deliver to all residents (maps to be provided by the Council):

- 65,000 and 108,000 - 5 litre internal caddies with a grey base and lid
- 65,000 and 108,000 - 23 litre external caddies with a grey base and purple lid.
- 2000 - 180l and 240 litre wheeled bin containers with a grey base and purple lid.

Costs for the storage of the above quantities of caddies / bins until roll out in March 2026.
