Description

The formal pathways within the walled gardens require civils renovation following damages from storm Eowyn and machinery traversing the location.

These require recent detritus to be scraped from some locations and the surface topped, graded and compacted with path topping aggregate on identified areas.

The civil renovation work to be undertaken must be completed in a timely and highly professional manner by staff that are competent in the tasks expected of them and aware of the sensitive nature of the works that they undertake. The maintenance, making safe and conservation of the historic resource is paramount to Council.
