Scope

Description

Salvation Army Homes are looking to procure Contractors for the delivery of their Domestic and Commercial Electrical Services Contracts. The opportunity is split into eight geographic Lots. Full details of the required services are included within the procurement documents.

The estimated annual contract value does not take into account annual indexation considerations or VAT.

It is intended that the contract will run for a period of three years with the option for renewal, as decided by Salvation Army Homes, for an extension of up to a further two years, followed by another two years, subject to satisfactory reviews. The maximum duration of the contract is therefore seven years. The contract value in this notice is therefore subject to review and is not guaranteed, as this is based upon the maximum term.
