Description

An external supplier is sought who will be able to operate network or cluster that will support SmartNanoNI's activities and goals. It will be predominantly focused on the North West Region of Northern Ireland but it will have some level of engagement across all of Northern Ireland. It is anticipated the work contracted will allow a range of companies to engage with skills development programmes, that impacts will be collected and reported

on and that there will be introductions made bringing Northern Ireland companies into contact with SmartNanoNI partners.
