Description

Efficiency East Midlands Limited (EEM) are conducting this tender exercise to procure a Lifts and Mobility Lift Solutions Framework to replace our existing Frameworks (EEM0075 Lift Installation, Refurbishment, Servicing and Maintenance Works Framework and EEM0050 Stairlifts, Hoists and Disabled Adaptations Framework) which will expire on 18th April 2026.

EEM are looking to run a procurement exercise to establish a Framework of Contractors to undertake Lifts and Mobility Lift Solutions, the Framework will be split into the following Lots:

- Lot 1 - Lift Installation and Refurbishment
- Lot 2 - Lift Maintenance and Servicing

- Lot 3 - Mobility Lift Solutions

Services delivered via this Framework will be to domestic and commercial properties.

Lot 1 is being created to support Members undertake the safe and compliant installation of new bespoke through floor lifts solutions or refurbishment and modernisation works to existing lifts.

Lot 2 is being created to support Members undertake the safe and compliant maintenance & servicing of all types of existing through floor lift solutions. The Framework servicing and maintenance programme will provide assurance to members with existing equipment life expectancy through regular preventative maintenance to enhancing lift reliability and performance whilst reducing running costs and maximising energy efficiency.

Lot 3 is being created to support Members undertake the safe and compliant Mobility Solutions such as supply and installation of stairlifts, hoists and disabled adaptations. Stairlift installations and servicing will cover a varied scope of stairlifts in different heights, seat widths and to suit curved and straight staircases and a range of budgets. This lot will be further divided into geographical sub-lots.

The call-off contract's to be awarded pursuant to the Framework Agreements to be entered at conclusion of the procurement exercise begun by publication of the Contract Notice may extend for a duration of up to five years beyond expiry of the four-year term of the Framework Agreement.

Please note that the total potential framework value stated within this notice is in relation to the full 4-year framework and takes into consideration the lot structure, length of call off contracts and that the EEM membership may grow over the framework lifetime.

Where the contract notice states a maximum of suppliers to be appointed to the Framework, EEM reserves the right to appoint less than the numbers stated.

The Framework is being procured by EEM on behalf of the organisations that have been accepted as authorised users. Authorised users are classed as any current company law member, any future company law members and any user that has been authorised access to the frameworks and other public procurement tools provided by EEM.

EEM is incorporated as a company limited by guarantee and is owned and governed by a small number of organisations who make up our 'Company Law Members', all of which are contracting Authorities in their own right. The Framework Agreements being procured by the procurement exercise begun by publication of the Contract Notice will be entered by EEM as the Contracting Authority which will have undertaken and completed that procurement exercise. Any reference in the Contract Notice or tender documents to Contracting Authority is deemed to be and include a reference to EEM.

The organisations entitled to access and use the Framework Agreements to be awarded at conclusion of the procurement exercise begun by publication of the Contract Notice are:

Any current EEM Member - being an organisation which is a Company Law Member of EEM at the date of this Contract Notice and being one of the organisations who owns and governs EEM;
