Scope

Description

NESO are looking to appoint a single capable Supplier to fully manage NESO's operational travel needs and integrate with existing platforms - SAP Concur (current) and Workday (future state T&E module April 2026).

Key Travel Requirements are:

- * Online booking tools and offline support
- * Air, rail, hotel, and car hire bookings
- * Traveller profile management
- * NESO Policy compliance and approval workflows
- * Duty of care and risk management
- * MI reporting and analytics
- * Integration with Workday T&E (future state)

* Expenses management working alongside NESO finance

* A named account manager

(this is not an exhaustive list and may develop during the course of Supplier engagement).

An implementation phase will take place from May/June 2026 in order to ensure a smooth transition with workday.
