## **T113 - Supply & Delivery of Hand Tools, Power Tools & Accessories**

Northern Ireland Water

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-065098

Procurement identifier (OCID): ocds-h6vhtk-05cc14

Published 14 October 2025, 11:26am

### **Scope**

### **Reference**

T113

### **Description**

This market engagement exercise is a general market enquiry to identify and engage with suppliers who have the potential to supply and deliver hand tools, power tools and accessories to NI Water. NI Water are seeking to assess the interest, capacity and capability of the market in providing these types of goods. NI Water are also interested in receiving feedback from the market on the different experiences, approaches and models used in other sectors / utilities for the provision of these goods.

.

NI Water may hold one-to-one supplier engagement meetings in November 2025 and an expression of interest for potentially attending a meeting can be made by completing and returning the "Supplier Questionnaire" provided in the "Information Pack". Further details

about the meetings will be issued in due course

.

It is anticipated that an analysis of the "Supplier Questionnaire" responses and potential supplier engagement meetings will be used to select the best procurement strategy to deliver this service in the future.

.

Please note that all suppliers wishing to attend a one-to-one supplier engagement meeting must complete and return the "Supplier Questionnaire".

### **Contract dates (estimated)**

- 1 September 2026 to 31 August 2028
- Possible extension to 31 August 2032
- 6 years

### **Main procurement category**

Goods

### **CPV classifications**

- 44510000 - Tools
  - 44511000 - Hand tools
  - 43830000 - Power tools
  - 24951000 - Greases and lubricants
-

## **Engagement**

### **Engagement deadline**

24 October 2025

### **Engagement process description**

This market engagement is a general market enquiry to identify and engage with suppliers who have the potential to supply and deliver hand tools, power tools and accessories to NI Water. NI Water are seeking to assess the interest, capacity and capability of the market in providing these types of goods. NI Water are also interested in receiving feedback from the market on the different experiences, approaches and models used in other sectors / utilities for the provision of these goods.

.
