### **Changes to notice**

This notice has been edited. The [previous version](#) is still available.

### **Scope**

### **Reference**

HSE/T4725

## Description

HSE have a requirement to improve vehicular access for planned and future projects within our explosive testing area above the Frith valley testing complex, between two of our built assets at our Buxton site. Contractors are advised to attend the site visit to fully understand the access route to the proposed construction site, in order to satisfy themselves that their chosen plant and equipment is suitable.
