### **Scope**

### **Description**

LondonEnergy invite suppliers to bid for the collection, treatment and recycling of Mixed Wood for a contract period of 2 years with the option to extend for a further 2 x one-year extensions (2+1+1)

Contract commencement date: 1st April 2026

The tender shall be for ONE LOT for the acceptance and recycling of c.12,000t PA Mixed Wood from our Waste Transfer Facilities situated in the North London Area.

The WOOD is primarily generated through HWRC and Local Authority collection services in North London and is considered grade C due to the mixed nature of the material. - As Municipal in origin, the Wood is free from any Grade D / hazardous materials that may be generated from commercial demolition and construction activities.

The amount and how they must be supplied will be provided in the specification as part of our tender bidding process and further details will be provided via the UK 4 Tender Notice to be published on or around the 30th October 2025.
