## Description

Citizen wishes to tender for a provider (or providers) to deliver Safeguarding Training.

There may also be capacity to run additional bespoke training and support which could be shared with more than one provider.

We are looking at training in different tiers levels depending on the job role/business area.

Detailed specifications for the services required are provided in Appendix 3 – Statement of Requirements.

The estimated value of the project is £18,000 per annum (p.a.), and £54,000 over the duration of the agreement.

The contract will be let for a duration of 3 years (36 months) with an option to extend by a further 12 months, subject to satisfactory performance against KPI's.

We would like the suitable providers to be able to deliver face to face at our locations across the midlands. These would include sites in Solihull, Birmingham, Coventry, Hereford and Worcester and also have the ability to deliver online courses via Microsoft Teams.
