Reference

C29913

Description

FCP: E.L.M Payment Rate Developments/Payment Rate Verification. 2 Lots

Lot 1. Lot 1: Payment rate development

Description

Lot 1: Payment rate development • Completion of annual payment rate review rates (expected to be 1/3 of SFI Payment rates) every year for publication deadlines, subject to the authority's need. • Completion of payment rate price base reviews every three years or more often in the case of an exceptional price review. • The deliverables in this case will be updated payment recipes and data for points 1 and 2 respectively added to the payments rate calculator spreadsheet. • 10 working days to complete payment recipes. Deadlines set in agreement at time of issue of work package. • Payment recipes updated on the Live Spreadsheet for verification, upon completion of work package.

Lot 2. Lot 2: Payment rate verification

Description

Lot 2: Payment rate verification • Completion of annual payment rate review rates (expected to be 1/3 of SFI Payment rates) every year for publication deadlines, subject to the authority's need. • The deliverables in this case will be a report on the accuracy of the payment rates developed including the accuracy of assumptions and data. • 10 working days to complete verification. Deadlines set in agreement at time of issue of work package. • Initial verification comments provided to the authority upon completion of work package. • Report compiling verification comments provided to the Authority following completion of large work packages. To be agreed at time of issue of work package.
