Scope

Description

Procurement of labour and plant resources to support the existing in-house highway delivery service. The in-house highway service delivers the councils revenue works consisting of reactive highway maintenance, drainage maintenance, out of hours call-out and winter service. The proposed framework is to allow additional resources to be brought in to assist in the delivery of there works at times of increased demand/workload. The proposal will provide additional resilience to the highway service

Commercial tool

Establishes a framework

Framework

Maximum number of suppliers

Unlimited

Maximum percentage fee charged to suppliers

1.5%

Framework operation description

Rochdale Council uses a basket of goods approach to evaluate supplier pricing. Each supplier submits unit prices for a predefined set of items, and the total basket cost is calculated to compare bids consistently.

Suppliers can apply for specific lots within the framework agreement. Bids are scored based on price and quality criteria, and the top three highest-scoring suppliers per lot are awarded a place on the framework.

Award method when using the framework

Either with or without competition

Contracting authorities that may use the framework

In addition to Rochdale Council, this ITT is issued on behalf of all partner authorities within STAR Procurement and AGMA (Association of Greater Manchester Authorities) The participating councils include Stockport Council, St Helens Council, Tameside Council, Trafford Council, Knowsley Council, Bolton Council, Bury Council, Manchester City Council, Oldham Council, Salford City Council, and Wigan Council, Blackpool Council, Blackburn with Darwen Borough Council, Cheshire East Council, Warrington Borough Council & Lancashire County Council
