## Scope

#### Reference

DAC-0192

### **Description**

The Department operates an Urban Traffic Control System, including close circuit television (CCTV) cameras.

The provision of an IP transmission service for CCTV replaced a previous analogue system.

This contract will provide and maintain safety critical CCTV services for the Department and other users across Northern Ireland, until a new contract can be awarded and all circuits have been migrated to the new service.

Please Note:

This notice contains an error with the supplier details carried forward from the UK6

Contract Award Notice.

The Contracting Authority has attempted to publish a replacement UK6 Contract Award Notice with support from Cabinet Office but has been unable to do so due to a system error.

This error will be corrected through the publication of a UK10 Contract Change Notice following the publication of this notice. This will amend the supplier details, replacing Yunex Ltd with British Telecommunications PLC.
