Scope

Description

This tender opportunity is being issued by Homerton Healthcare NHS Foundation Trust who is acting as the contracting Authority for the procurement of a Finance & Accounting Procure-to-Pay (P2P) System. Suppliers are invited to submit proposals that meet the requirements of both organisations, in alignment with the scope and specifications.

Homerton Healthcare NHS Foundation Trust provides hospital and community services to the London Borough of Hackney and the City of London. Homerton Healthcare is recognised as providing excellent standards of training and our Research and Development Department is particularly well respected.

Homerton Healthcare employs over 3800 staff and has over 450 inpatient beds, an A&E department, an intensive care unit, state-of-the-art imaging and x-ray facilities, a modern sexual health treatment centre, diabetes centre and eye screening service. We provide a wide range of adult and children's community health services across Hackney and the City, with staff working out of 75 different sites. Over 120,000 people attend the A&E every year and we expect 6,000 babies to be born at the hospital.
