## 715173450 - Purification Equipment

Submarine Delivery Agency

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-065722

Procurement identifier (OCID): ocds-h6vhtk-058520 ([view related notices](#))

Published 15 October 2025, 5:09pm

### Scope

### Reference

715173450

### Description

The Purification Equipment (PE) Contract shall deliver the supply and support of essential equipment needed to control the breathable atmosphere on board Submarines, including Authority training establishments. This is inclusive of the Vanguard and Astute class submarines, and any new classes of submarine that may be introduced during the lifetime of the Purification Equipment project.

The services to be delivered throughout the Contract shall include Service Management in order to meet and deliver the contractual requirements, Obsolescence Management in order to proactively manage obsolescence for all in-scope equipment, support to maintain a spares inclusive upkeep service including equipment procurement and delivery, and equipment upkeep management including strip, survey and repair of equipment, maintenance activity of equipment, technical support, Operational Defect (OpDef) and defect support, training services, and equipment installation.

The Contract shall also include a tasking provision which shall include but not be limited to the following:

- i. Obsolescence resolution,
- ii. Codification,
- iii. Disposals
- iv. Post Design Services (PDS) activities to include technical upgrades and investigations where required
- v. Training over and above extant requirements
- vi. Fleet Time investigations,
- vii. Defects and repairs
- viii. Technical assistance
- ix. Technical investigations
- x. CONDO support
- xi. Trials support
- xii. Equipment root cause analysis
- xiii. Safety and environmental management system
- xiv. Operational safety assurance inspections
- xv. Boat visits and reports
- xvi. Modifications
- xvii. Additions and alterations

The PE contract shall cover a number of master equipment types and its ancillary components. These Master Equipment types are detailed within the Tender documentation.

This tender notice is for the award of a public contract through a competitive flexible procedure in accordance with section 20(1) and (2)(b) of the Procurement Act 2023. It is

considered a Defence and Security Contract due to its scope and therefore the relevant provisions of the Procurement Act 2023 relating to defence and security contracts are applicable.

The Purification Equipment contract will be initially for five (5) years however the contract shall include two irrevocable one year options to extend the Contract by a further two years taking total contract duration if options invoked to be seven (7) years.

## **Procedure**

### **Procedure type**

Competitive flexible procedure

### **Special regime**

Defence and security

### **Competitive flexible procedure description**

The Procurement Specific Questionnaire (PSQ) (including Conditions of Participation) is available within the Defence Sourcing Portal (DSP) and will be used to down-select between suppliers to be invited to Tender. This will also include the assessment of whether a supplier, its connected persons, associated persons or any intended subcontractors are excluded or excludable persons and whether the suppliers are UK suppliers under the Procurement Act. A clarification process will be used during the PSQ period to allow suppliers to seek clarification from the Authority.

Within the PSQ there are Pass/Fail questions and suppliers are required to pass all of the questions to be eligible to be invited to Tender.

An Invitation to Tender (ITT) will be issued to those successful at PSQ. A clarification process will be used during the tendering period to allow suppliers to seek clarification from the Authority. A summary of the award criteria is in this notice and will be explained in the Tender Evaluation Strategy, which will be published in the DSP, with the ITT. The Authority reserves the right to refine the award criteria before and - where negotiation/final

tenders are used - during the Tender period in accordance with section 24 of the Procurement Act 2023. This may include revision to the weightings of the sub-criteria.

The following supplementary processes may be used, with further details set out in the additional tender documents;

- Clarifications - during the tender evaluation period
- Negotiations - following evaluation of the Tender
- Supplier presentations / site visits - during the Tender, and Tender Evaluation period
- Final Tenders - following negotiations, if used
- Preferred Supplier Stage - to confirm solutions and/or finalise the draft contract.

The Authority reserves the right to amend the procurement, where such amendment would not be substantial, as follows, including and not limited to;

- amendments to the tender documents which may provide clarification
- refining the specification as the competitive flexible procedure progresses
- reducing timescales.

If any amendments are made, the Authority will consider whether any applicable tender deadlines should be revised, and whether any tender documents or notices need to be re-issued.

---
