- Kings Academy & Kings Sixth Form, Station Road, Cheddar, BS27 3AQ
- Nailsea School, Mizzymeade Road, Nailsea, Bristol, BS48 2HN

In addition to this the Multi Academy Trust is expected to grow in the number of schools

becoming part of the trust during this contract period, and the provision of catering services within these schools when they have joined the MAT will fall under the scope of this contract. The successful contractor will be expected to provide the service within these additional schools using the same costing model, ratio's etc they applied to their successful tender submission for the Wessex Learning Trust at the point of tender submission. The duration of the contract for these schools will not be increased, and they will join the contract for the remaining contract period that exists at the point of entry into the MAT.

The contract being tendered is for three years in duration from 1st August 2026 until 31st July 2029, with the option to extend for a further term of three years on the same terms and conditions excluding the right to further extend. The contract will be guaranteed performance in nature.

The tender project is seeking to appoint a Contractor whose Initiative and innovation will be welcomed for the provision of all catering services within the trust. The high-quality service levels proposed, should maintain excellent standards throughout, resulting in a new food service offer with consistent high standards of food operations across all schools.

Regular customer and parental engagement (using digital platforms and social media) will be required to ensure this is the case moving into the contract term.

These new standards of operation should meet the needs of pupil's moving forwards into this contract term. The current range of foods needs to be expanded along with the service provision. It is one of the objectives of this tender that the successful contractor will "Utilise a truly local supply chain and the farming belt" in the Somerset area to source all fresh produce, namely:

- Bakery products
- Meat
- Fruit and Vegetables
- Dairy products

The contract at each school will operate on a guaranteed basis (return or subsidy) with all universal free school meals and free school meals being charged to the client monthly at net food cost only. All hospitality is to be charged on a net food cost basis.

The approximate current turnover within the contract annually is £1.8m

The successful contractor will be expected to put forward both innovation and their

proposals for making this contract more environmentally sensitive and carbon neutral moving into this contract term both by way of contract delivery and within the successful contractor's organisation, while working to deliver the Wessex Learning Trust environmental policies. Your approach to sustainability should mirror that of the Wessex Learning Trust.

The successful contractor should be able to evidence significant steps towards carbon neutrality as well as demonstrable plans to achieve their targets throughout the contractual term. It will be expected that sustainability as well as social value be reported through the management review meetings.

The terms and conditions of employment and recognition offered to the catering operatives should be both progressive and forward thinking ensuring that the staffing establishment is always complete, and staff turnover is kept to a minimum.
