Notice identifier: 2025/S 000-065939

Procurement identifier (OCID): ocids-h6vhtk-051b92 ([view related notices](#))

Published 16 October 2025, 2:27pm

Scope

Reference

222_26

Description

This Planned procurement notice (not a call for competition, the tender documentation is not yet available) is being published to alert the supplier market that ESPO is looking to establish a national framework for the supply and fitting of tyres for cars, LCVs, HGVs and plant and the supply of related ancillary services, including puncture repairs and wheel balancing.

The framework is expected to be divided into 3 lots.

Initial expressions of interest only may be completed as follows:

- (a) Go to <https://www.eastmidstenders.org/>; (b) Register (if not already registered on ProContract); (c) Search for opportunity '222_26' (via "View Opportunities" from the EastMidsTenders Portal); d) Express an interest.

Commercial tool

Establishes a framework

Total value (estimated)

- £28,000,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 5 January 2026 to 4 January 2028
- Possible extension to 4 January 2030
- 4 years

Description of possible extension:

The duration of the framework agreement is expected to be for 24 months, with the option to extend for up to a further 24 months (under normal circumstances extensions will be completed in full, or in 12-month periods, and is subject to the performance of the framework).

Total estimated values captured in this notice include the option to extend the framework as noted above.

Main procurement category

Services

Contract locations

- UK - United Kingdom

Not the same for all lots
