Update of Evaluation Criteria

Scope

Reference

T2656

Description

The Council wishes to appoint an authorised Contractor to transport waste from Belfast City Council's Recycling Centre's, Civic amenity sites, Parks and Cleansing sites, Duncrue Complex, the Zoo and other Council premises as required to the Councils Waste Transfer Station or onward to other contractors for further treatment.

We also require a contractor to provide a range of skip containers to various council sites and facilities for long and short-term hire when required.

Total value (estimated)

- £3,600,000 excluding VAT
- £4,320,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 January 2026 to 31 December 2028
- Possible extension to 31 December 2030
- 5 years

Description of possible extension:

The Council reserves the right to extend/renew the Contract on an annual basis up to two further years

Options

The right to additional purchases while the contract is valid.

The Council reserves the right to add the following additional requirements to the Service under this Contract during the Contract Period: -

1.17.1 The collection and transportation of other waste items or waste containers to support in-house operations.

1.17.2 The hire of other sizes or types of skips/containers not outlined in the specification

1.17.3 Other similar waste material in the event of non or poor performance by another service provider.

1.17.4 Additional Premises not listed in the Contract. This may be in response to new Premises being identified and/or changes in how the Council's in house operations are resourced and delivered.

1.17.5 Temporary support for the Council's in house operations to cover any shortfall in available resources.

1.17.6 Introduce required changes associated with the Service to the Specification to accommodate changes to the Council's operational model and working practices e.g. functional re-structuring, new customer hub, etc;

1.17.7 Major incident/ environmental incident that requires resource support i.e. waste clean up/spill, additional waste vehicles or additional qualified resources.

1.17.8 The Council reserves the right to add or remove Premises from the Contract in line with the Council's requirements. Where the Council identifies an additional Premises to be added the Contractor will expected to price based similar Premises/ tasks priced in the Pricing Schedule.

Any contract variation may be subject to further Council internal approvals and be in accordance with the provisions of the Public Contracts Regulations
