Contract

Non Driving Related Activities - Phase 2a

Department for Transport

UK7: Contract details notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-065997

Procurement identifier (OCID): ocds-h6vhtk-05ce2d

Published 16 October 2025, 3:34pm

Scope

Reference

TFTS3028

Description

This research is assessing how various Non Driving Related Activities (NDRAs) affect Situational Awareness (SA) when a driver has enabled an autonomous feature and is then required to take over the driving task. The research is an experimental study taking place in driving simulators assessing a series of activities and measures of performance and attention. This contract is for the analysis and write up of fieldwork that has already taken place at UCL.
